Оре	SECTION TWO eration and Maintenance Administrative Assistant – Quality Standards

Within the expectations of the Operation and Maintenance Administrative Assistant position, the employee will be evaluated within five performance areas: General Expectations, Organization and Preparation, Supporting Maintenance Department Operations, Financial Management, and Interpersonal Skills and Professional Attributes,

- All areas should be marked as proficient, needs improvement, or not applicable. For the
 purposes of this form, "proficient" describes job performance that meets the <u>minimum</u>
 standard of performance in each area. "needs improvement" describes job performance that
 does not meet the acceptable standard in an area
- All marked "needs improvement" must be accompanied by supporting documentation (i.e. anecdotal comments).

This document sets out PERFORMANCE AREAS. The KEY INDICATORS for each performance area identify the activities that Operation and Maintenance Administrative Assistant undertake as they go through their day-to-day work. The DESCRIPTORS support the key indicators, though evidence of all descriptors would not be expected at all times.
